

PROPHECIES FROM WAFBEC 2016

Bishop Francis Wale Oke

The Lord will take you from glory to glory, you will never know a better yesterday, you will see the fruit of your labour, see your children's children to the fourth generation in Jesus name. You and your children will eat the fruit of the land.

The doctors don't have the final say over your life. After God made man, He said 'be fruitful'. Whatever has been working against fruitfulness in your life is cancelled, when you come to WAFBEC 2017, you are coming with your baby.

Just like God rewarded the faithfulness of Joseph, your faithfulness is rewarded. The Lord asked me to tell you that in this year 2016, He will give you the harvest of 16 years in one year. What the enemy stole from you over the past 16 years of your life, receive it now!

The harvest that you have missed since December 1999 up until now, (whatever that harvest is), you receive the harvest in the name of Jesus. I command your blessing, I command your harvest, receive it!

A hundred fold is 10,000%. I command your harvest multiplied, the flood gates of heaven to be opened on your life. You will drink the rain from heaven this year. The fountains of the deep is opened to you.

Whether the devil likes it or not, you are blessed! The enemy cannot stop your blessing. Your unbelief cannot stop your blessing. God has decided to bless

you, you are blessed! Whatever your situation, you are blessed – irrevocably blessed, irreversibly blessed.

Many children of destiny will be born as a result of this meeting, not ordinary children; children like Papa Idahosa, like Pastor E. A, Adeboye, like Bishop David Oyedepo, like Bishop F.E.B Idahosa, like Pastor Poju Oyemade. Children of destiny get ready.

God gave me a word for you and you don't believe it? Your unbelief cannot stop God. Whatever has been holding back your breakthrough, it is cancelled. By the authority of the Living Word, in that area of your life, grace has located you. Receive grace!

Whether you believe it or not, this year you will receive the harvest of 16 years; in your finances, in your career, in your business – receive harvest!

God specializes in making His people rich in the time of famine. In the midst of this economic down turn, financially you will rise. To show that it is the finger of God, what you did not have when there was economic boom, this year, heaven is giving it to you.

To show that it is not of works lest any man should boast, this year, in your finances, God will be glorified. This year you will be paying tithes in millions. God put a word in my mouth for you that this year you will reap a harvest of 16 years.

Wherever your harvest is, I command it to gravitate towards you. Receive harvest from the east, from the west, from the north, from the south, from all over Nigeria, from all over Africa, from all over Europe, from America, from Canada, from Asia.

Wherever money is, I command money to come to you, receive it in the name of Jesus. Beyond the ordinary, you will prosper. Receive blessings from the heaven above and blessings of the deep that lieth under.

Get ready to get into entrepreneurship, into oil, into gas. The blessings from Heaven above are commanded upon you, the blessings from the deep beneath shall open to you. God will connect you strategically for wealth by grace – receive it!

The God of the apostles and the prophets, O God of the patriarchs and the fathers, the God who says the silver is mine, the gold is mine, let this blessing from the deep flow to your children by grace.

There is a rod in your hand; that job that you are calling ordinary, grace comes upon it. That your business that has been struggling, grace comes upon it. Receive the extra-ordinary dimension of God upon your life, upon your business.

Get ready, this year God will embarrass you with blessings, with favour, through grace. Like Moses, what you have been trying to do before and you failed, this year you will fly.

By the mercy of God, I have come to bless you. I prayed to God that He should bless these people. With the oil of grace upon my life, these people that have celebrated me, Lord celebrate them.

This year, you will have celebrations upon celebrations, God will give you overlapping joy. You will be far from sorrow. The only tears you shall shed this year will be tears of joy.

The prophetic gives you speed. Everything that needs to change in your life, I command a change, a change of your level to a higher ground, a change of your status, change of your garment in the name of Jesus. I decree change, glorious change, positive change in the name of Jesus.

Anything that is called barrenness, whether it is physical, financial, mental, emotional, marital, social, or spiritual; barrenness in your life is abolished. Be fruitful! By the word of the Lord, this year you will receive the harvest of 16 years.

In your life, you will not play the second figure, where you have been battling with 'near success syndrome' – you almost make it but something goes wrong, you almost got it but something goes wrong; I break it, I release you, you will fly, you will be above only.

This WAFBEC is your turning point, you will remember this WAFBEC for the rest of your life. This year God will help you. God will order your steps into wealth, into grace, into abundance, into favour.

Grace will speak for you. What you do not deserve, God will give it to you. What you cannot do for yourself grace will do it for you, the doors you cannot open, grace will open it. The height that you can never get to, grace will get you there in the name of Jesus.

Because of the sacrifice of Jesus on the cross, you will prosper. This year you will get it, grace will give it to you. What you don't deserve and some people are labouring on your behalf, it will happen this year.

You will be rich, the curse of poverty is broken. Whatever has been blocking your blessing is removed. God will give you a blessing that you will celebrate for the rest of your life.

Every negative smell that represents the curse, by the blood of Jesus it is destroyed! I release you! From today, grace falls upon you. You will smell good. You will find favour. You will prosper.

The Lord give you the dews of heaven and the fatness of the earth. Fatness of the earth represents agriculture, real estate, land acquisition, property development, forestry, quarry business, breaking rock. Beyond the ordinary, this year you will prosper.

Rev. Mark & Pastor (Mrs.) Trina Hankins

The author and the finisher is working in you by His words and by His Holy Spirit, both to will and to do of His good pleasure; His good pleasure to bring you out of a small and a narrow place and to bring you out into a large place, a larger place of His blessing.

Draw near unto God in these days and this season and you'll hear His voice more clearly and more accurately and you'll be strengthened with mighty power in your inner man and the joy of the Lord will fill your heart. You'll say Lord I am satisfied, I've got the answers that I need, I've got the direction that I need, I've got the strength that I need.

Come boldly and receive God's mercy and find grace to help in the time of need. Drink from the presence of the Lord, and drink until you are filled, and then new dreams, new visions shall be given to you and you'll see, know, have confidence and you'll be satisfied saying thank you Lord, I am satisfied with more than enough. The blessing of the Lord shall come upon you in an increased measure.

Recognize this day, this season and this time, for this is a time of refreshing, a time of visitation, that comes from the presence of the Lord and the Holy Spirit shall do a greater and a fresh work in your spirit. Thus sayeth the Lord.

While you are responding and rejoicing, something is happening back at your house, while you are rejoicing, something is happening in your future.

When you sing like you've never done before, you'll find that the enemy's mouth shall be shut, and the strategies of the enemy shall be put to flight and he will run from you. For in this day and in this time, this same anointing shall rest upon you and the blessing and favour of God shall increase upon your life and you'll come out of a narrow place into a larger place of the blessing of the Lord.

The anointing of the Holy Spirit shall fall like rain – the anointing and the rain of the Holy Spirit. Drink from the presence of the Lord, drink until you are satisfied, drink until you are filled.

For the Lord has prepared you for such a time as this and He is equipping you and supplying you with all that you need to do His will. You will enjoy His blessing like you never have before, for this is the day that the Lord has made, we will rejoice and be glad in it. So rejoice and drink from His crest.

The Lord shall strengthen you with mighty power by His Spirit in your inner man and grant you out of the riches of His glory all the vast resources of His glorious person.

Perfection shall come by the Holy Spirit; a greater working in your inner man, your inner man will be strengthened with mighty power so that Christ will dwell in your heart by faith. Your strengthened faith shall bring you into the consciousness that Christ – the anointed one dwells in you, the greater one lives on the inside of you.

You will know the length, depth, breadth and the height of Christ love which passes knowledge, so that you'll be filled with all the fullness of God and enjoy the richest measure of the divine presence. And you will walk conscious that God lives and dwells in you. His life, His Spirit dwells in you and He is able to do exceeding abundantly above all you could ask and all you could even think according to His power that works in you.

As He strengthens your inner man, you are able to lay hold upon those things, to apprehend those things, to get a grip on those things and possess these things for they belong to you and they are provided for you.

By the Holy Spirit, a new strength shall be given so you can run and not be weary, you can walk and you will not faint nor collapse. But you'll rise up higher, with new vision and clearer vision. You'll go forward in the plan and purpose of God and you'll laugh in the face of the enemy till victory is yours.

And because you have been faithful in a few things, all the faithfulness of God towards you will make you a ruler and bring you out into many things. For you will find that the hindrances have been removed, the stain removed and there is a freedom now to go forward into new territories, into new blessings.

A great and large door, a door of great and effectual ministry is opened, and a door of blessing is opened and there have been many that have tried to hinder and shut that door, but I, the Lord, I've opened the door and no man can shut it.

Do not draw back, enter in to a new season and a new time. And the Lord's anointing and blessing shall increase.

The Lord will make you a sign and a wonder unto others. And others will look at you and say how does this happen, you'll say (haha), it is not by my talent, it is not by my ability, but it's by the Holy Spirit, the Spirit of the Lord. For

where the Spirit of the Lord is there is liberty and freedom from bondage of every sort. So now rejoice and shout.

You will recognize this time of visitation, that the words that come out of your mouth, not just what the Lord has said but when you agree with what He has said, according to your faith so be it unto you. Lift up your voice and declare those things into your life. For He said you will have what you say.

Because you've been faithful, there shall come a greater measure, a greater territory, a greater glory, a greater influence; for as you have ministered to hundreds and ministered to thousands, now you come out to tens of thousands and to hundreds of thousands.

The influence of the Word of the Lord shall grow, it shall multiply and the grace and the glory of God shall multiply so you'll be able to go further. You'll go faster and God will accelerate those things concerning the will of God for your life so what took 10 years will now only take 1 year. It will go much further than you even thought and more than you have imagined because there is no telling where the blessing will end when somebody believes God.

Believe God, believe the word of God and be filled with the Spirit of God; for it will go from city to city and from nation unto nation and the knowledge of the glory of the Lord shall cover the earth in these last days.

A fresh fire shall burn and a new strength shall be given. The voice of the Lord, the voice of His word shall be amplified and multiplied; many shall carry the glory of God, carry the fire of the Holy Ghost and rejoice in His goodness for this is the day of the Lord.

And the Lord says I will restore health unto you and I will heal you of your wounds. Right now, the healing power of God is not only healing your body but you who has been wounded or broken by life, even considered ending your life, Jesus has turned your captivity and you will not die but live and declare the works of God.

The Lord has just added 15 years to somebody's life, the devil thought he had you and will take you down soon, but the Lord said His glory and His presence is restoring health unto you, He's added 15 years to your life or longer than that, you can live until you are satisfied.

And you will find that He heals you of your wounds, the anointing of the Holy Spirit is healing the broken hearted. You who have been disappointed and lived in depression and darkness like a cloud over your head, with the power

of the Holy Ghost right now you resist the devil, and he will flee and run in fear from you. And right now depression leaves you, darkness leaves you, the Lord has turned your mourning into dancing and your sorrow into joy.

The Lord shall bring refreshing to His body and to the church, the outpouring of the Holy Spirit and the river shall flow from heaven.

Pastor Matthew Ashimolowo

Someone is carrying your blessing right now in Nigeria and they will deliver it to you. You are too loaded to fail. People will connect with you because blessings and favour will flow from your house.

You are already pregnant and overweight with the goodness of the Lord. You are suffering from a massive obesity of the blessing of the Lord.

This is going to be your conference of turn-around and change. You are stepping into a new season. You are stepping into a season of manifestation.

God is removing the cover of your favour that has been hidden all these years. Your true destiny, calling and purpose is manifesting.

What God is going to do in your life, the devil can't stop it, can't stand it and there's nothing he can do about it. You will not die before your time, you will not die young, you will live long.

Everything that has been hindering you before now will fall for your sake. You are about to walk in the supernatural and walk in uncommon favour.

God is going to turn things round in the name of Jesus. From this day, some of you will do incredibly things, you will be a great achiever, you will break the boundaries, you will cross the finish lines.

Every line of impossibility; you will cross, you will be an achiever, you will shake the world, you will make a difference. Nigeria, Africa and the world is waiting for your manifestation and it won't be long.

God is saying I'm going to compress favour and grace into your life. This will be your season of fulfilment, you will see it in your lifetime, and it will become your reality.

I declare and decree in this season of your life, anything that life has denied you will begin to manifest. This is going to be one of the greatest time of your life. God is going to shift you from where you used to be to where you ought to be. You will walk in incredible abundance, favour is coming to your life.

I declare and decree into your life in this season, you will not stay down, you will not wallow in self-pity, strength will come to you, grace will come upon you, you will be victorious.

What took some people 10 years, God will give you this year. Every measuring line that has been drawn and you have been told you cannot exceed that place, by the anointing of Jesus Christ, God will take you beyond those lines.

Limitations that you know and don't know have fallen out of your life. You are going to rise, God is taking you higher.

I declare you will live long and strong. Age will not limit you. In your old age you will be doing exploits. Your dreams will not die with you, economic capacity will be given to you by the Lord. God will entrust millions in your hands that you will use to sponsor the gospel.

Every economic shackle that satan placed on your feet, mind and hand is removed.

What used to be your father's boundary will be your beginning. A thousand times more than what your father could not dream of, God will use you to achieve it.

Everything God has deposited in you will begin to manifest. Everything that was said about you that was negative, you are rising above it.

The new frontiers of electronics, communications, the internet, uncommon ministries, the financial world that will open up in Nigeria, you will be the pioneer. What others could not take because of fear will come easily into your hands.

Men and women who have empires in their might, God will surround you with them.

In cycles of 24 hours, there's going to be an outbreak of favour and testimonies in this church. This church will be an arrowhead in this nation, an arrowhead of the gospel to reach the four corners of our nation, Africa and the world. Branches are opening, a network of churches opening beyond the shorelines of Africa.

The seasons are changing, God is bringing you into uncommon favour, you will walk in the covenant of prosperity.

When you need anything anywhere, the provision will be there. There are streams of favour looking for you that will flow to you. Expect a miracle every day.

As you magnify God from henceforth, mountains and hills will begin to quip before you. Nations and kingdoms will tremble before you.

Things you've never known or seen before; the miraculous, the unusual, will begin to show up in your life.

Terror and amazement will grip your enemies, confusion and commotion will break out in their midst. All ashes will be replaced with beauty, your mourning will be replaced with the oil of joy.

I declare on a family, as you magnify the Lord, the earth shall yield her increase to you. Prison doors are commanded to be open.

If you came here as a victim, you are going home as a victor. You came conquered but you are going home as a conqueror. You came with impossibilities, but as you magnify the Lord you will go home with possibilities.

Everything you were told is irreversible (the doctor's report, accountant's report, Inland Revenue, challenges in your life), it is reversed.

If you have been a predator of many people (being taken advantage of, people stealing from you, using you), God has turned it around. Every battle that came into this building with you, it has become your testimony.

Streams will flow where there was a desert, your desert will blossom with roses, and miracle water will gush out for you.

Every barrier (physical, spiritual) holding you, you cross the barriers. Because you have magnified God, where you were told there is no way, there will be a way out.

Help will rise for you. Where there was disfavour and hatred, they vacate your life. Delay disappears from your life. People who do not know you will show you favour, they will show you love, promotion will follow and overtake you.

Everywhere you have been opposed, God will turn opposition to a season of favour, a season of testimony.

At the end of this conference, every of your step will be a step into good success.

As you magnify the Lord, things are going to change this year, opposition will give way, promotion will overtake you, God will order your steps, whatever

your hand touches it will succeed, stumbling blocks will be removed, testimonies will manifest, and bad memory will be erased.

You will become a reference point, you will recover lost favours, and doors of help will be opened for you.

Get ready for breaking news.

Dr. Bill Winston

I've been sent to tell you that this is the last year you'll ever be broke. You are going to be further along next year than you are this year. You are going to own real estates.

You will never face anything you cannot overcome, God will not allow it. Your days of struggling are over.

Whatever has been delayed has not been denied. Whatever has been standing in the way of your stuff is removed and your stuff is coming into your hand. Expect that within 7 days of this conference you are going to see miracles and increase coming in your life.

This time next year, you are going to be a different person. This is the last week you are going to be broke.

God is moving you to a new level of faith so that where you are this year is not where you are going to be next year. God is moving you to a place where God meets every of your need.

Some people in this church are going to be the biggest land owners in Nigeria.

You've got the blessing on your life. This is your time. Whatever is worn out, God has a replacement for it.

I've been sent by God to let you know that God has an inheritance for you and you are not going to leave this earth without it. Everything that is for you is coming to you.

God is lifting everyone receiving this word to another level and you are going to see the results of it within 7 days after the conference. The inheritance shall manifest in your life starting within 7 days after this conference.

Get ready to leave your flesh, God is going to take you higher than you've ever gone before, faster than you've ever being before, take you into a place you've never been to in your life.

When the economy is down, it would not make any difference for you.

The world is waiting on you and you have to be built up in your faith so that you can go back and speak the word to your community, household, and business.

Nothing can stop you from getting to your destiny, this meeting will give you the faith to get you to your destiny. We are about to see demonstrations on another level.

Whoever has been harassing you, you are no longer going to be harassed. Whatever is being delayed, is going to be released, whatever is being detained, it is going to come into your hands right now.

Nobody can keep you from getting what God says is for you. There are going to be millionaires and billionaires.

God is dropping new ideas in you, witty inventions, bringing new businesses to you, opening up new schools to you, you are going to set a mark on this earth that cannot be erased.

This is your week for miracles.

Pastor Taiwo Odukoya

The time of this church has come, it is a new wave in our nation and all over the world.

In the name of Jesus, I see multitudes coming, it won't be one place but this is one of the places and they won't be coming for anything else but the Word of God, His Truth, His reality.

In the times we are, some things will happen through your hands and the world will quiver. Your ending will be far better than your beginning. You will finish well.

People you don't know will begin to look for you. Acceleration has started, the best of you has started, your celebration has started.

This conference is providing leads to all that has been lost in your life in the name of Jesus.

Acceleration is supernatural. Natural processes does not bring solutions anymore. It is time for the supernatural.
