

In the Name of Jesus Christ, we speak into the lives of every member of the Covenant Nation and upon us corporately. We pronounce the blessing upon us.

We declare that we have come on the grounds of the blood of Jesus; Jesus was wounded for all our mistakes,

He was bruised for our iniquities, the chastisement of our peace was laid upon him and by his stripes we are all healed.

We declare into the earth this day that the blood of Jesus speaks powerful things concerning us. We agree with what the blood is saying, and give voice to it in the name of Jesus.

We declare to all the forces of darkness, in the name of Jesus Christ through the blood of Jesus we have been redeemed. The ransom has been

paid in full for our lives, we have been bought out of the influence of darkness, and we have been bought out of the influence and control of wickedness in men.

We declare that Jesus has been sacrificed for us as our Passover lamb, we apply his blood this moment to the door post of every home and family represented in this nation.

We draw the blood line over our houses and speak to you angel of death and also to the spirit of the plague called corona virus, you are forbidden from every member and house in this nation.

We curse you to your roots and declare no member of the Covenant Nation eats of your fruit. It is only with our eyes we see the effect of your presence you do not come near our dwelling

place.

We extend this blood covering over the city of Lagos for Christ died for the entire city. As a seed of righteousness in Lagos, we pronounce by the blood this virus dead in this city in the name of Jesus.

We are completely delivered out of your hands satan and your verbal accusations in heaven and on the earth are rendered inoperative in our lives for we are under Jesus Christ.

Through the blood of Jesus we are justified; through the blood of Jesus we are acquitted and pronounced not guilty.

We acknowledge you Jesus as our advocate and say, we may have spoken words carelessly that can be used against us in the courts of heaven by

our adversary, we may have conducted ourselves in ways that has opened up the door for legitimate pronouncements to be made by people we hurt and words may have been weaponized against us to cause damage and keep us down.

But we acknowledge that through your sacrifice, the curse has been broken and we are set free from the effect of these things.

We declare to you Jesus our advocate that you plead our case on the grounds of your blood shed and you have won every case brought against us.

We are set free in the name of Jesus Christ.

In the name of Jesus, we speak to any demons that may have gained entrance into any part of our lives to keep me down; we bring you under divine

judgment.

We expel you out of our lives in the name of Jesus. We cast you out of all our affairs and release angels this moment to minister unto us for growth, reproduction, protection, total health, prosperity, favor with men and my supernatural rise in Jesus name.

We pronounce every member of the Covenant nation blessed with eyes that see and ears that hear. Our dwelling place is filled with peace and fruitfulness free of hurt and vexations.

We leap and grow without limits through the opportunities we see all around us and by the help God has sent through the hands of men.

Our weekly services are growing in leaps breaking boundaries as men come in from every part of Lagos receiving an impartation of the Spirit.

We draw men daily to Christ by the spiritual and material blessings evident upon us as we show forth God's wisdom to the world.
