

CONFESSION

**Before
Message**

As I sit to listen to the word of God today, a door of utterance has been opened unto us and I hear the voice of God clearly speaking to me - this is the way to go walk ye in it.

**I listen under the influence of
the Spirit of God and I am not
distracted by anything or
anyone.**

**The word of God is food to my spirit;
I am strengthened by it this
morning, it is wine to my heart
creating joy within me. It is oil to my
face causing my life to shine giving
me victory in everything I do.**

As my eyes make contact with the scriptures used in this message, the Spirit of God opens new things to me; He also brings to my remembrance things Jesus once showed me.

**I come to understand God's
system on the earth and I receive
instruction, encouragement,
correction and the enablement to
live out God's will. **Amen.****

CONFESSION

**After
Message**

**I declare this week the lines are
fallen unto me in pleasant places
my steps are ordered by the Lord.**

**Everyday I open my mouth wide
declaring the things I believe, calling
into existence those things I see with
my inner eyes as though they are, and
God in return daily loads my life with
benefits advancing my position.**

Morning by morning, He opens my ear to hear His voice and has positioned me by His instructions such that others call me fortunate, lucky and blessed by what has occurred everyday.

I declare wisdom is the principal thing; therefore I have gotten wisdom: and with her understanding. I call wisdom my sister and understanding my closest friend.

I have exalted wisdom and she has promoted me making my life glorious: she has brought me to the place of honour, because I have embraced her.

I have listened to her and received her sayings; and so by the decisions I make, years are added everyday to my life.

God has taught me in the way of wisdom; He has led me in right paths. When I go out this week my steps do not end in dark narrow passages, nor do I waste time making wrong turns. Amen

CONFESSION

THE BLOOD OF JESUS!

The Blood

**In the Name of Jesus Christ, we
declare as The Covenant Nation, a
kingdom of priests that we have
come on the grounds of the blood of
Jesus and declare that Jesus was
wounded for all our transgressions,**

**He was bruised for our iniquities,
the chastisement of our peace
was laid upon him and by his
stripes we are completely whole.**

**We as a nation of priests and
kings agree and speak with the
voice of the blood of Jesus on the
earth.**

We declare to all the forces of darkness, in the name of Jesus Christ that through His blood we have been redeemed. The ransom has been paid in full for our lives,

**we have been bought out of the
influence of darkness and we have
been delivered out of the influence
of every form of wickedness by the
ransom that was paid by the blood
of Jesus Christ as he died on the
cross for us.**

We declare to you Satan, we are completely delivered out of your hands and your verbal accusations spoken in secret or in the open against us are rendered inoperative for we are under Jesus Christ.

**Through the blood of Jesus we are
justified; through the blood of Jesus
we are acquitted and pronounced
not guilty.**

**We acknowledge You Jesus as our
advocate and say we may have
spoken words that can be used
against us in the courts of heaven
by our adversary,**

we may have conducted ourselves in ways that has opened up the door for legitimate pronouncements to be made by the people we hurt and words may have been weaponized against us to cause damage and keep us down.

**But we acknowledge that through
your sacrifice, the curse has been
broken and we are set free from the
effect of these things.**

**Jesus Christ as our advocate
pleads our case on the grounds
of your bloodshed and has given
us victory over every accusation.
We are set free in the name of
Jesus Christ.**

We declare in the name of Jesus Christ and speak to any demons that may have gained entrance into any part of our lives to keep us down by reason of words,

**That we may have spoken or words
that others have spoken to control
any aspect of our lives, we bring
you now under divine judgment.**

**We say for as much as we are
partakers of flesh and blood,
Jesus took part of the same and
destroyed you that had the
power of death and set us at
liberty.**

We expel you out of our lives in the name of Jesus, we cast you out of all of our affairs and we release angels this moment to minister unto us for growth,

**reproduction, protection, total health,
prosperity, favour with men and our
supernatural rise in Jesus name.**

**By this confession of the work of the
blood, we have overcome the accuser
satan,**

**He is cast out of our affairs, the heavens
are open over us and the power of God
works through us and produces in
abundant measure everything we are
praying, declaring and imagining in our
personal lives.**

**We pronounce every member of The
Covenant Nation blessed, we are
breaking forth on every side with
unhindered growth.**

**Every member of this nation of priests
and kings excel, they are at the head
of what they do with unprecedented
growth, blessed and kept safe in
Jesus name. **Amen.****
