From the work of my hands, this fast has opened up a door which my eyes have seen that has led to the establishment of His kingdom through the work of my hand.

This 21-day fast ushered in an unprecedented season of fruitfulness, growth and multiplication. For every horn of wickedness and every voice that was raised against me in these 21 days, they were completely neutralized and cast out. My head has been anointed with fresh oil and I arise and emerged with the force of the Holy Spirit. As Jesus returned from His fast in the power of the Spirit, I have come out of this fast

in the power and demonstration of the Spirit that has brought forth great and new works in my life – exploits and powerful things not common unto man.

I have entered into this fast and I have been cloth with the mantle of the spirit. A garment of power has been placed upon my back and I emerged out of this fast a brand-new person with words of power and my hands executing things that are not common to man. So, the sufferings of these 21 days I have gladly endured; for it is not worthy to be compared to the glorious realities that have emerged in my life after the fast. For God has revealed in my life things that were hidden from the ages and generations past. Limitations have been removed. Ceilings have been shattered. Days and years have been established by this fast and every single day the enemy planned and he marked as an evil day and season through which he was going to come in and steal from me, kill or to destroy by reason of this fast, I decree and it is established.

For while praying, the Holy Spirit entered into all those days and changed them by releasing power into them. They have now become days sanctified by the Spirit of God for my promotion, days of rejoicing and total victory. When others are saying in that season, there is a casting down all I will be experiencing is a lifting up because I entered into this 21-day fast and the Holy Spirit had the opportunity to enter into my future and birth powerful things. The outpouring of the Spirit during this fast has therefore led to supernatural encounters with God. I have received this divine mantle through which I work signs and wonders upon the earth in the mighty name of Jesus Christ, Amen.

I declare in the name of Jesus, that Jesus is the Lord over this fast and by the strength of the Holy Spirit these entire 21 days has been effortlessly accomplished by the strength of the Spirit of God. I therefore emerge out of this fast with my youth renewed as the eagles, I come out physically stronger, I come out healed. I come out of this place and from the crown of my head to the soles of my feet, every single cell within my body radiates the life of Jesus Christ.

By the Spirit of God, this fast has been offered as a spiritual sacrifice unto God. By this, God has opened up the seal of heaven over my life. Every single scripture that is appropriate for my life this moment, the Holy Spirit has guided me into those scriptures. They have described every single thing going on in my life presently and also shown me the glory that is to come. By this, my words have been enabled; I have received utterance from the Holy Spirit to speak forth glorious realities into my life and by this, the next three years of my life have been a demonstration of the Spirit and His power. Great grace for acceleration has been released; three years of supernatural increase, three years of supernatural growth, three years of the manifestation of the kingdom of God in my life.

For this fast has ushered into my life a season of unprecedented fruitfulness, growth and multiplication. There were things I brought up to God during this fast, not only did I get the manifestation of those prayers, God exceeded all of my expectations for He opened up a massive door in heaven through which the waters and the rivers of life flows forth into my life on this earth. Rivers of living water have been poured forth into the earth; not only answering all of my needs and exceeding it but it has streamed right into the community in which I dwell, streamed into the city in which I live and shaped and affected the nation in which I dwell.

I declare massive changes have occurred through this 21-day fast. My own personal space is just a fraction of what God has done by His Spirit. These waters have extended into my family; these waters have extended into my community, these waters have extended into my church, powerful transformations going on as I have spoken forth God's word into those entities.

I boldly declare the sufferings of these 21 days are not worthy to be compared to the glory that is now revealed. Now I understand the words of Jesus Christ that with prayer and fasting nothing shall be impossible unto you. For the glory of God that has been unveiled has demonstrated to me that nothing is now impossible unto me.

Days and years have been established through this fast; every single day satan marked out for evil; in the next three years of my life, where he plotted that on that day and in that season, he shall steal, kill or destroy, those days have now turned out to be days of great rejoicing in my life, days of great victory and days of massive promotion. Yes, others have said there's a casting down but by reason of the work that was done during this fast, it is apparent unto me that there is a lifting up in that day.

My years have been established as years of supernatural increase and growth. Every single thing I have imagined according to God's word has materialized in my life. The outpouring of the Spirit has led to supernatural encounters described by the words I spoke forth. Angels have been released from heaven who are ministering to me night and day, bringing about answers to the prayers I have offered.

Therefore, I have opened my heart this season to be hospitable unto strangers, to reach out to those that are in need, or through these acts I have received the Angels that have been sent from heaven to perform wonders in my life in the name of Jesus Christ. Thank you Lord for this glorious manifestation in Jesus mighty name, Amen.

In the name of Jesus Christ, I declare and announce into the year 2021 as a result of the 21-day fast and the spiritual substance I have received from God; I speak forth into the year 2021 – God exceeded all of my expectations in this new year. The power of God did exceedingly, abundantly above anything I ask or thought. All of my prayers and expectations were not only met but also exceeded. I saw God's faithfulness in fulfilling all of His promises. I made satisfactory progress and inside my heart I felt fulfilled at what God had wrought within my life and then God took it

further and the year 2021 literally blew open my mind. For God then opened up the doors of His kingdom unto me and He began to work out in my own life things I did not look for neither was I expecting.

So this year 2021, God raised up unusual divine helpers, people I had no expectations on were raised by God into my life, strangers entered in and built my wall and it was Luke 5 replayed in my life that after Jesus gave Peter and his brother an abundance for what they sought for, He then opened up the program of the kingdom unto them. This is the highlight of the year 2021 for me. I feel complete and whole for God has done all things well for me leaving no stone unturned; every single area in my life was enveloped by the power of God producing the very things I prayed and I had been confessing. God took a major step in my life and produced things that will be with me for the rest of my life and will make an impression on eternity.

This is what 2021 has been all about – the opening up of the treasures of darkness causing me to ride upon the high places of the earth. He opened up the door of the temple and the river of living water carrying life watered every single thing in my life. Unusual but very powerful things began to happen. I received very powerful visitation from heaven and this came as a result of the hospitality I showed to strangers. The help that I rendered to those that were in need, going out of my way to support and help people and support those in problems opened me up to a high level of grace at work in my life evidenced by the things people also are disposed to doing towards me. Every single authority figure that I met this year 2021 opened up their hearts unto me and helped me beyond my expectation. The involvement of the Holy Spirit directly in my life has changed the entire landscape of my life.

I am a totally different person that entered into 2021, all of the things that God has done in my soul and in my life has transformed me so I entered the year 2022 a totally different person transformed not only by the revelation of the spirit but by the deep acts of God in my life. The things that my eyes have seen, the things that my hand has handled in this year 2021 – a year that the daystar arose upon my life, a year that I could clearly see I was the brightness of God's glory manifesting powerful things on this earth, a year that my leaf did not wither and I did not cease from bearing fruits every single month. My life was watered with the rain of Heaven, unusual insights, ideas came right unto me. I brought forth products and services from the place where I work, from my duty post I interpreted events accurately, recognized powerful opportunities right before me.

God blessed me in 2021 with eyes that see; it was a year with an abundance of opportunities, everywhere I saw great and mighty opportunities I even had to call partners and friends and distribute some of the insights unto them. I wasn't even distributing so much of material substance as I distributed intelligent thoughts and ideas that has changed and transformed the lives of people for the Holy Spirit literally entered into my mind, worked upon my brain cells and now I understand how Daniel felt having ten times more understanding than all those in his realm. God granted me the grace to remain humble even though I saw farther than anyone inside this industry, understood what was coming next, interpreted the events

accurately, knew what was in the heart of humanity even before they became consciously aware of it. My products and services revealed things that were kept at subconscious levels. This was the degree of intelligence that worked in my life in the year 2021.

I entered into a different space totally manifesting the brilliance of God. God surrounded me not only with loving people but also with capable people who understood the visions in my heart and ran with those things. Therefore, this year 2021 my barns have been filled with plenty and wine presses burst forth with new wine. I have the power to obtain wealth granted unto me and by this power I have served humanity. I have raised up the foundation of many generations.

This year 2021 I broke out of the need-centered faith; I now operate in a service-oriented faith for God has given me abundance in all things. My consciousness is not about me personally receiving but with the abundance God has given me I serve humanity. Giant strides in 2021, massive things that changed me completely as a person and I finish this year completely different in my understanding of life, in my orientation, in the way I treat people and the level of intelligence at work in my life in the mighty name of Jesus Christ.

--

I come on the grounds of the blood of Jesus Christ, Jesus was wounded for my transgressions, Jesus was bruised for my iniquities, the chastisement of my peace was laid upon Jesus and by the stripes on the back of Jesus Christ on the cross, I am healed from the crown of my head to the soles of my feet.

The same Spirit that raised up Jesus Christ from the dead and brought Him out of the pit of hell right to the right-hand of the Father, that same Spirit leaves on the inside of me. He has been assigned by the Father to produce the same effect on my life. I agree completely with what the blood has said concerning me, that the same God of peace that raised Jesus, the great shepherd from the dead by this blood of the everlasting covenant. It is written that by that same blood of the everlasting covenant, God works inside me that which is well pleasing in His sight. The same Spirit of glory that raised up Jesus by the blood covenant dwells inside me also and He has produced this same effect.

The year 2021, I say right into it – it is characterized by the demonstration of God within me. 2021 can be described as the acts of the Holy Ghost in my life. Historical events have emerged, all by the Spirit of God working on the inside of me. The Holy Spirit no longer lies dormant but I cooperate with Him, I listen to the Holy Spirit, I obey the Holy Spirit and every single thing He shows me – I give voice unto it. This I have done in 2021 and it has produced massive and wonderful things in my life.

I declare into the year 2021, this is my story concerning you; first of all, God exceeded all of my expectations by the might of the Spirit at work in me. Every single thing I prayed about, every single thing I am confessing God fulfilled it in remarkable

time through the grace that accelerates things and performed every single thing in my life.

This is my story in the year 2021, for all horns of wickedness are subdued and angels ascended and descended upon my life bringing about all answers to my prayers. These are the events I have handled in this year 2021, the thrill that is inside my heart, the joy that I have experienced seeing the power of God at work in my life; angels went all over the earth ministering unto men and causing the people to act towards me in certain ways such that every single prayer and every single word that I uttered out of my lips without any exception, materialized in record time in the year 2021.

As Jesus Christ helped Peter and his brother to catch an abundance of fish and to answer their own need, then he opened them up to kingdom agenda; this is the pattern that God follows in 2021. He then opened up His agenda unto me, opened my eyes to see the things that He has prepared from the foundation of the world. Things I would never have imagined, things that would never have occurred to me, things beyond my own human capacity to conceive, the Holy Spirit granted unto me the Spirit of wisdom and revelation in the knowledge of Jesus Christ. he began to show me deep truths inside the scriptures and by the knowledge of these deeper things, He prepares my heart to receive the things I saw in real time.

Massive opportunities hidden from others, the Holy Spirit opened my eyes to see these things and I took that quantum leap, that giant step, leaping for joy at the recognition of truth, I entered into these powerful experiences that God has prepared for me. He sent in people in my life as the rivers of living water began to flow out of my belly. This massive door He opened unto me in 2021 – things that will leave my legacy upon this earth, things that if Jesus tarries my children and their children shall partake of the benefits of these massive doors He opened up unto me.

I have gone far beyond the realm of getting my own personal needs met, I have entered into kingdom business; these are dimensions of prophetic scriptures that are being realized inside my life beyond my own personal needs into the inheritance of God laid up upon this earth. He has selected me among the body of Christ as one of the people that He will use as His arrowhead in this end-time to fulfil His prophetic agenda upon the earth. He took my business and my career and plugged it into kingdom economy by opening up my eyes to see things He has kept secret from ages and generations past. These things have catapulted me right into positions and places upon this earth I would never have dreamt about.

God has opened up a massive door; 2021 is my year of personal discovery, I came to know who I really am in Christ, I shook off all forms of fear and doubts about my abilities for it is no longer I who lives but Jesus that now lives on the inside of me. I arise confident and bold, to stamp my God-given identity upon this earth and to turn loose every treasure that God has placed on the inside of me. My time has come and it is the year 2021, no longer am I weak, with low self-esteem, full of doubt.

My hour is here; I arise in the power of the Holy Ghost and I come on the stage of life. I am not concerned about who is uncomfortable with my new level of authority,

my level of confidence, my independence under God and ability to accomplish things that have not been done before. It is my hour, I will not allow this door to be closed on me, my time has come, God has placed the baton in my hand; I run with ease this race that is set before me on the lane that God has for me manifesting the kingdom of God on the earth in the name of Jesus Christ.

--

I declare in the name of Jesus Christ into the year 2021, it is a year in which deep and mysterious things have occurred in my life, powerful occurrences that are strange to those that are in the flesh for the spirit of God unveiled the deep things of God in my life. Every single request I offered up in prayer unto God personally confessing as my goals for 2021.

This 21-day fast secured spiritual power through which every single one of them has materialized and these things I have been confessing for also materialized very quickly in the year 2021 as a result of my faith that I planted as a grain of mustard seed through the words I declared during this fast.

God went beyond all of this and manifested to me manifesting himself in my life in the year 2021. He fulfilled all of my expectations and went over and beyond that to open up a mighty door unto me saying for this cause I separated you from your mother's womb to step into this glorious reality. It is through the workings of the Spirit of God in this dimension that I have manifested the glory of God in the year 2021. God has exceeded all of my own expectations.

This was the year He brought me out of all forms of darkness and showed forth my identity and the true nature of who I am in the spirit realm and started revealing my identity. Not only was Jesus revealed in me but I was also revealed in Christ. I came to know Jesus Christ in a personal way but the world also came to know who I really am in Jesus Christ for as the wind blows where it least'd as God revealed the things He was set to do in my life and I stayed focus upon those things. All types of things began to spring forth out of the earth by coincidence. The right people began to show up in my space, doors began to open up to me as the lines fell unto me in pleasant places. God blessed me with rare insights, concepts and ideas.

The Holy spirit brought pieces of information to me from the minds of other people through their books, by the words and conversations I had with them that completely revolutionized everything going on in my life. Yes, I can describe myself as one who is very successful on this earth for not only am I making satisfactory progress in my own personal space but God has also opened me up and introduced me to His kingdom agenda and this so powerful things are going on in my life right now.

That which I am doing in the natural is growing by leaps and bounds breaking all records, fastest growing entity in my industry. Kings in this industry are coming to the brightness of my rising, sinners are asking me questions about my intelligence. Jesus is presented to them not in a religious way but as the divine intelligence behind the order of the universe that all things that you interact with were made by

Him, all systems that are working, all physical laws, all scientific discovery are things that are fragments of the knowledge and understanding in the mind of Jesus and it is this Jesus – the logos, the creator of all things. It is this Jesus I have presented to the world in this year 2021.

I introduce them to the subject of prayer through which the mind of Jesus touches upon their mind and they get instructions, concepts and ideas about Jesus. I am not ashamed of the gospel of Christ; I boldly declare this Jesus for He is the power of God unto salvation. I have shown in my own space and to the world that all issues can be resolved in any field of endeavor through the intelligence that is in the mind of Jesus.

Outside of this, Jesus has gathered material substance into my hand, taught me the secret of accessing the power to obtain wealth and by the abundance my ground has brought forth in 2021 He has now shown me my assignment on the earth, what I am to do with the material substance that will keep multiplying in my hands for He has taught me the secret and I bow before Him in worship as the source of every single thing I have and He has opened my eyes to see the thing He wants to do on this earth through which He has empowered me as His vessel and the instrument through which He will accomplish this for it is written concerning me that God is at work in me both for me to will and to do of my own good pleasure.

2021, you are the year of my coming out, you are the year I have taken my position in the realm of the spirit, the year God has placed my faith upon the rock to stay, the year of my exaltation, the year of my manifestation, the year that God has exalted my horn above the horns of wickedness in the land, the year in which I declare things and decree things into the earth. 2021, I call you my year, I take possession of you exercising full authority and I stir up the Holy Ghost inside of me, great exploits are accomplished in the mighty name of Jesus Christ.

In the name of Jesus Christ, I come on the grounds of the shed blood of Jesus; for through the blood of Jesus Christ God has created a new and living way right into the holiest of all and through His redemption I can now receive the promise of the eternal inheritance.

I therefore come on the grounds of the blood of Jesus, the blood that grants me access and I say Jesus was wounded for my transgressions, Jesus was bruised for my iniquities, the chastisement of my peace was laid upon Jesus and by the stripes on the back of Jesus Christ I am healed. From the crown of my head to the soles of my feet I am healed by the stripes of Jesus. The same Spirit that raised up Jesus' lifeless body from the grave and translated Him to the right hand of the Father, that same Spirit has been sent into my heart by Jesus Christ to do exactly the same work with the same might and power on the inside of me and I liberate the Holy Spirit to do this work today by my declarations and the words that I speak through which I partake of the divine nature.

I declare the Spirit of God sustained every single infirmity, kept me whole and safe, infusing every cell in my body and every organ in my body with the very life and substance of Jesus; making every cell pregnant with the life of God, renewing my youth as the eagle's, keeping me whole and healthy throughout the year 2021.

The life of God, every single day was pumped into my body, sustaining me, keeping me free of any form or manifestation of death in the environment, for I dwell in the secret place of the Most High, abiding under the shadow of the Almighty. For God has given His angels charge concerning me and they guard and guide me every single day of 2021. I never dash my foot against any stone and I am upheld supernaturally by angels. I declare that through their ministry, it is only with my eyes I see the reward of the wicked upon them; no evil comes near my dwelling place for I have made the Lord alone my fortress.

I declare that in Him do I trust and I abide under the shadow of His wings. In my going out and the going out of every single member of my family, angels of God are assigned to go out with them wherever they are on the surface of this earth; and in our coming in, angels stand tall and erect, protecting and guarding every member of my family. I see these mighty angels at work and because of their operations in my family through the blood covenant I have with the Father, it is only with my eyes I see the reward of the wicked; nothing comes near my dwelling place or touches any member of my family.

I speak into this year 2021 – a blessed year it has been, as the Spirit of God manifested Himself and the inheritance of God was revealed in my life. In the place where I work with my hands, the benefits I have received in the year 2021 is not the salary that I have gotten. I am right there working for Jesus Christ with the singleness of heart, faithfully doing it as unto the Lord, handling the business that I have in my hands. As I help customers and clients, I treat it as I am helping my own self and serving my own self with excellence, honour and with respect. I search out what will minister to the very needs of the people and do my own homework and minister unto these people through the work of my hands as I am in the vineyard of the Lord, serving Jesus Christ.

The reward I have received in 2021 is beyond material gain, Jesus Christ Himself has rewarded me with my eternal inheritance. He has bestowed His mercy upon the works of my hands, so to everybody around as they see the results of this inheritance in my life, the unsearchable riches of Christ manifesting right in my life in 2021, as the Lord has opened up my eyes and I have seen massive opportunities, and I have utilised these opportunities and established powerful things on the earth that my children and their children partake of this inheritance if Jesus tarries; these things are running independent of what I am doing presently with my own hands.

Massive opportunities that God opened up unto me; this is what 2021 has delivered as the Spirit of God has rewarded me, my faithfulness to the people, by leading me aright and opening up my eyes to this inheritance. This inheritance, the commercial value is beyond precious silver and gold. It has delivered wealth into my family and this wealth has been established within my lineage. Generations coming after me benefit as a result of what the Spirit of God opened my eyes to see as the reward for

the service that I rendered to humanity, not cheating any person, not being double minded in what I was doing, but with a singleness of heart as unto the Lord I served humanity, found out what I was to give to them and I ministered this in a spirit of excellence.

So I speak into the year 2021 – a glorious year you have been unto me. My labour has drank of the rain of heaven. God's ideas, insights and strategies have come directly from the Spirit of God entering into what I am doing with my hands and delivered great results in my life. In this year 2021, I entered into all the growth opportunities that God presented unto me, for it's a season of restoration, a season of dramatic growth and a season of complete recovery in the mighty name of Jesus Christ, Amen and Amen.

In the name of Jesus Christ, I declare I come on the grounds of the blood of Jesus. I declare that Jesus was wounded for my transgressions. I declare that Jesus was bruised for my iniquities. I say the chastisement of my peace was laid upon Jesus and by the stripes on the back of Jesus Christ I am healed and whole from the crown of my head to the soles of my feet.

I speak into the year 2021, I have walked through you completely whole and healthy with the Spirit of God infusing every cell and organ of mine every single day with the life of Jesus. So throughout the year 2021, I state and I declare my youth is renewed as the eagle's. The Spirit of God sustains the infirmity of my flesh. Also, the Spirit of God opened up my mind, opened up the eyes of my understanding and the table that God prepared right before me in the presence of opposition I saw it very clearly and I fed upon it every single day.

For my experience in 2021 was morning by morning I obtained mercy and God opened up my ears to hear as the learned. Every single day I grow in faith, every single day I grow in the stature of Christ and every single day I grow in favour with God and with man. I saw the presence of God manifested in greater measure in my life and I saw people every single day; their disposition of favour towards me grew. Every single person in authority that could be of help unto me, in 2021 they opened up their doors and they became nursing fathers and mothers. They lifted me up with their own arms and put all their resources and goodwill behind me.

2021 I speak right into you – you are a year that I experienced the restoration of God in my life. All the years that the cankerworm stole, all the opportunities I missed in the past were all restored back unto me in the year 2021. You have been such a full year, every single day as it is written in scripture, God loaded me with some special gift. Every day I experienced a miracle, small, medium large but all mercies of God bestowed upon me.

I see the days of 2021, days that God opened up the door of His temple and caused the river of life to flow into every single day of the year. Days of manifestation of God's life. Every single thing I prayed about, everything I confessed consciously,

God exceeded all of my expectations in meeting everything with details and then He went beyond everything I was praying for and fulfilled this scripture – doing exceedingly abundantly above what I asked or thought according to His power at work in me. He began to guide me from day 1, to teach me His way in every single situation, opened up my eyes into the realm of the Spirit, and as my Shepherd Jesus led and protected me.

In 2021, He made me to lie down in this green pasture; a place where I flourished from a position of rest, led me beside still waters, a year of peace and harmony in my life and then He opened up His Kingdom agenda unto me and brought forth the riches of His glorious inheritance in me kept from ages and generations past. Having fulfilled all of my own desires, 2021 became the year of open doors. Massive things that I would never have imagined, the Holy Spirit birthed in the place of prayer and took the work of my hands under the influence of the rain of heaven. Ideas and concepts out of heaven supplied by the Spirit of God; took the work of my hands and placed it on the global stage.

It was a massive quantum leap I experienced, a massive quantum leap, a sudden and dramatic breakthrough that I experienced in 2021. The game changer of my destiny that changed the entire landscape of my life and brought me into a new space, a large and wealthy place without any form of scarceness. This has been my experience with God in this year 2021.

I have experienced the mercy of God and His faithfulness in my life opened up my eyes to growth opportunities all around me; treasures hidden in secret places, riches kept in darkness from others by the Spirit of wisdom and revelation. He brought me into the knowledge of these things; things I would have completely missed, His plan that would never have readily occurred to my own mind, a distant place from where I was, the Holy Spirit opened it up unto me and showed me that this is your true land, this is the place you are to operate in and this is the high calling I have upon your life.

And then, the Holy Ghost summoned me and said unto me in 2021, come up hither to this mountain, to this new place I have called you into and I rejoicing and giving Him praise, He taught me that the way to ascend is to rejoice in the fulfilment of it. And as I started rejoicing in awe of God, fearful about what He was showing me beyond my own reach and capacity; as I began to sing praises, I started ascending up that mountain of glory, and suddenly in my own environment people began to show up, openings began to happen and I began to see what I kept secretly in my own heart and praised and worshipped God over that would have been considered as madness to express it as my dream and vision, it started crystallising all around me. And this has been my highlight in 2021 – direct action of the Holy Ghost in my life, the manifestation of God Himself beyond my own imagination, my own plans and even my own prayers.

God descended and opened up the treasures of heaven into my life in the name of Jesus Christ. We give God thanks, we give Him praise for His presence, for His mighty works in 2021 in the name of Jesus Christ.

--

I declare in the name of Jesus Christ and I give witness to this that in the year 2021 I saw the hand of God stretched out over my life; God performing signs and wonders. Everything I imagined and prayed for, everything I stood on the ground or listening at the cross over service on the 31st, God fulfilled with remarkable speed. God opened up a massive door unto me and said now I have done your own program, here is my own program for you. This is my own experience in the year 2021 as God exceeded all of my expectations, fulfilled all of my own expectations.

As Peter sought for fish and Jesus fulfilled it in exceeding measure and then opened up the dimension of the kingdom unto him, so also has God done unto me in the name of Jesus. He opened up a massive door unto me in 2021 that literally changed the landscape of my life, He changed things even for generations to come.

My children shall benefit in huge ways out of what God wrought in 2021 and they shall reap a massive reward from this 21-day fast I entered into. For the door God opened in this year 2021 is massive and huge. He has rend the heavens into two and done terrible things in righteousness in my life. He opened up a door unto me from the temple of God and a massive river of life flowed from the throne of grace into my life. This river carried me into unprecedented places in the year 2021. It has taken me into new networks of people, opened up nations of the earth unto me. It is the move of the spirit within my life in this year 2021 in the name of Jesus.

--

I declare in the name of Jesus Christ, I come on the grounds of the blood of Jesus and I say in the name of Jesus, Jesus was wounded for my transgressions, bruised for my iniquities the chastisement of my peace was laid upon Christ and by the stripes of Jesus Christ I am healed. Through the blood of Jesus Christ, I have been redeemed, the ransom has been paid in full for my life, Jesus Christ is my Lord – He is in complete control of my life. Jesus has sent forth His Spirit into my heart so that I can do the works that He did and greater works than those.

I therefore stir up the Holy Spirit within me, I declare Your might has been unleashed in the year 2021; I was separated from my mother's womb as the servant of God in whom He shall be glorified. You have glorified Jesus in my life by performing and executing things in the year 2021 beyond the ordinary.

I declare in the name of Jesus, every single goal I set, every single thing I turn to God in prayer for alone, God has performed every single thing, executed it in detail in 2021. My heart is filled with joy unspeakable, full of glory by reason of the manifestation of God and His glory in my life in 2021. The kingdom of God literally appeared in my mortal flesh, all tears were wiped away, death swallowed up in victory. God turned the situation around for me and I have entered into my

dreamland. God also did exceedingly abundantly above all I could ask or think, according to His power that is at work in me. He has opened up His treasure – the kingdom, and I have entered into my inheritance in Christ. This is way beyond anything I thought or planned. The Spirit of God has opened my mind up in this year 2021 into these treasures He has hidden on this earth for generations past.

I am now living the life in Christ, my true identity in this life is unveiled, the genius of the Spirit of God is manifested through my mind. Everything I set my mind upon prospers, I am making satisfactory progress, even the supposed appearance of darkness was actually light unto me. Every single thing worked perfectly, everything that irritated me in 2021 opened up a door for me, I am living the life of the Spirit. God has brought me into a wealthy place, yet I bow before Him every morning worshipping Him in Spirit and in truth returning all of the glory and praise unto Him.

I remain focused upon my objectives, God has opened up a massive door, I am entering into nations I never thought about, yet I remained focused on the kingdom; spent time everyday praying in the spirit, reading my bible, worshipping Jesus. I am not afraid of the gospel even though I now sit with kings and I sit among princes yet the testimony of Jesus remains on my lips and my discipline in Christ is intact. Jesus is the treasure of my life, the material abundance He has given unto me cannot compare with His presence on the inside of me.

I am rooted in Jesus Christ, all of these abundance and success cannot shake me, I plan everything around Jesus and even the world and those that believe different respect me for my commitment to my God and they can see the proof of Jesus in my life. For this year 2021, I have taken massive strives; every single month of the year something new and powerful appears in my life. God has opened up a massive door unto me, I'm basking in the glory of the Lord enjoying His presence as I behold Him restoring the garden of Eden. I have truly discovered God and experienced His love.

2021 is full, 2021 is powerful, the year of my recovery and restoration, Lord I bless you and thank you for this and I come to offer praise in the mighty name of Jesus Christ of Nazareth.

In the name of Jesus Christ, I come on the grounds of the shed blood of Jesus. For through the blood of Jesus Christ God has created a new and living witness right into the holiest of all and through His redemption I can now receive the promise of the eternal inheritance.

I therefore, come on the grounds of the blood of Jesus, the blood that grants me access and I say Jesus was wounded for my transgressions; Jesus was bruised for my iniquities, the chastisement of my peace was laid upon Jesus and by the stripes on the backs of Jesus Christ, I am healed. From the crown of my head to the soles of my feet I am healed by the stripes of Jesus. The same Spirit that raised up Jesus' lifeless body from the grave and translated him to the right hand of the Father, that same spirit has been sent into my heart by Jesus Christ to do exactly the same

works with the same might and power on the inside of me. I liberate the Holy Spirit to do this work today.

By my declarations, and the words that I speak through which partake of the divine nature; I declare the Spirit of God sustains every single infirmity, kept me whole and safe, infusing every cell in my body and every organ in my body with the very life and substance of Jesus, making every cell pregnant with the life of God; renewing my life as the eagle's, keeping me whole and healthy throughout the year 2021.

The life of God every single day was pumped into my body sustaining me, keeping me free of any form or manifestation of death in the environment; for I dwell in the secret place of the Most High, abiding under the shadow of the Almighty. For God has given His angels charge concerning me and they guard and guide me every single day of 2021. I never dash my foot against any stone and I am upheld supernaturally by angels. I declare that through their ministry it is only with my eyes I see the rewards of the wicked upon them. No evil comes near my dwelling place for I have made the Lord alone my fortress. I declare that in Him do I trust and I abide under the shadow of His wings.

In my going out and the going out of every single member of my family, angels of God are assigned to go out with them wherever they are on the surface of this earth; and in our coming in, angels stand tall and erect protecting and guarding every member of my family. I see these mighty angels at work and because of their operations in my family, through the blood covenant I have with my Father it is only with my eyes I see the reward of the wicked. Nothing comes near my dwelling place or touches any member of my family.

I speak into this year 2021, a blessed year it has been as the Spirit of God manifested Himself and the inheritance of God was revealed in my life. In the place where I work with my hands, the benefits I have received in the year 2021 is not the salary that I have gotten. I am right there working for Jesus Christ with the singleness of heart, faithfully doing it as unto the Lord; handling the business that I have in my hands as I help customers and clients. I treat it as I am helping my own self and serving my own self with excellence, honour and with respect. I search out what will minister to the very needs of the people and do my own homework and minister to these people through the works of my hands, as I am in the vineyard of the Lord serving Jesus Christ.

The reward I have received in 2021 is beyond material things. Jesus Christ himself has rewarded me with my eternal inheritance. He has bestowed His mercy upon the work of my hands; so to everybody around as they see the results of this inheritance in my life, the unsearchable riches of Christ manifesting right in my life in 2021 as the Lord has opened up my eyes and I have seen massive opportunities and I have utilized these opportunities and established powerful things on the earth that my children and their children partake of this inheritance if Jesus tarries.

These things are running independent of what I am doing presently with my own hands. Massive opportunities that God opened up onto me; this is what 2021 has

delivered unto me as the Spirit of God has rewarded me, my faithfulness to the people, by leading me aright and opening up my eyes to this inheritance.

This inheritance; the commercial value is beyond precious silver and gold. It has delivered wealth into my family and this wealth has been established within my lineage, generations coming after me benefits as a result of what the Spirit of God opened my eyes to see as the reward for the service that I rendered to humanity; not cheating any person, not being double-minded in what I was doing but with a singleness of heart as unto the Lord I served humanity, found out what I was to give to them and I ministered this in a spirit of excellence.

I speak into the 2021, a glorious year you have been onto me; my labour has drunk of the rains of heaven. God's ideas, insights and strategies have come directly from the Spirit of God entering into what I am doing with my hands and delivered great results in my life. In this year 2021, I entered into all the growth opportunities that God presented onto me; for it is a season of restoration, a season of dramatic growth and a season of complete recovery in the mighty name of Jesus Christ.

--

In the name of Jesus Christ, I declare I come on the grounds of the blood of Jesus Christ. Jesus was wounded for my transgressions, Jesus was bruised for my iniquity, the chastisement of my peace was laid upon him and by the strides of Jesus Christ I am healed from the crown of my head to the soles of my feet.

The Holy Spirit infuses the life of Jesus Christ and He has caused the life of Jesus to be made manifest in my flesh; for my body is the temple of the Holy Spirit bought by the blood of Jesus Christ and an instrument in the hands of the Spirit of God to manifest the glory of Jesus Christ in my flesh. So, I stand upright from the crown of my head to the soles of my feet, perfect in sound health. Through the blood of Jesus Christ, there is remission of all my sins.

I declare in the name of Jesus, the Father has set me free, the ransom has been paid in full for my own life. God has brought me out of the influence of wickedness and any form of darkness. My life on this earth is hid with Christ inside Him. So, I declare today the blood of Jesus speaks powerful things into my life. The blood of Jesus Christ makes powerful things into 2021. Through the blood of Jesus Christ, the heavens are opened up over my life.

Every single day of the year 2021, I have experienced the love of the Father; in a tangible way He manifested Himself unto me every single day. What a different year 2021 is – a year that my life is enveloped in the love of the Father. Every single thing that has happened beyond the reach of man, every single prayer of mine answered and manifested all as an experience of the love the Father has for me.

I experienced the love of the Father in a way in the year 2021 that it literally produced goose bumps all over my body; for His power was tangible and real. First of all, God exceeded all of my expectations, every single prayer I offered up, every single goal I wrote down on the 31st, God by His grace, crunched time together and

every single thing was manifested very early in the year 2021. Then God with His power at work in my life went beyond all of my own expectations, and my own prayers and brought me into things I had never imagined.

He poured forth His Spirit right into my life, granted me thoughts, ideas and concepts; He revealed unto me things that the Earth was pregnant with, He showed me all those ideas and those thoughts and He revealed unto me the strategies and the ways in which every single one of them will materialize. 2021 is a revelation of the Spirit of God; mighty and massive things occurring in my life by the Holy Spirit.

I am swimming in the river of the Spirit in this year 2021. Every single month of the year something new sprang forth out of the earth. God has blessed me beyond my wildest expectations and imagination. The work of my hands, drank of the rains of the waters of heaven. The same rain that fell just before Adam was created that caused God to mould Adam from the ground, so also, I have done exploits by this rain.

The thoughts and the ideas of God entering into my heart; the revelation of how he gets things done – His strategies, permeated my soul and this in turn has brought forth strategic individuals into my life, 100% supportive people that are bridges into the places in which God has ordained for me. They made things happen so fast, they made things happen so easy; every single idea, thought and opportunity that God presented (and this He did in abundant measure in 2021), every single thing was translated into reality immediately because of these strategic people He brought into my life. I never knew life could be this easy; I never knew productivity and increase could be this easy. But through the rain of heaven, it is from a place of rest that I am producing and bringing about great increase in the land.

Yes, I described 2021 as the year in which my barns were filled with plenty and my wine presses burst forth with new wine. Now, this charity foundation I always thought about, through the abundance of the supply of God, has now come into focus as I enter into my kingdom mandate in this year 2021. The real work that God has called me to do upon this earth, all of the resources that He has supplied in abundant measure is directly connected to this service He wants me to render upon the earth – to go into the world, as a person of might and strength, and to transform the lives of people; to pick up groups of four people, and to completely transform their lives with the wisdom that He has given to me from heaven and the material substance He has placed in my hands in abundant measure.

2021 was a year of restoration, a year of demonstration, a year in which the authority of God was manifested in my life, and a year of the unveiling of who I really am on this earth. My true identity began to emerge out of my flesh. The very things that God has written about me in the scriptures, I boldly began to enter into the fullness of these things; manifesting the divinity of God in my flesh, through the rare ideas and insights that I was bringing forth; products and services that came out of my mind.

Such a wonderful year 2021 is – basking in the love of Jesus Christ. And every time I felt a pinch in the environment, and a contrary wind seemed to be blowing, it became a season of my multiplication and a season of my divine promotion. The whole of

2021 is enveloped in the power and the influence of the Holy Spirit, as the rivers of life from the throne of grace have been poured forth, and they have entered into every single moment, and every single space in the year 2021. I can only describe this year as divine, one in which the shekinah glory of God that caused men to fall in the temple was manifest in my life, and that happened every single day of the year in the mighty name of Jesus Christ, Amen.

--

I declare in the name of Jesus I come on the grounds of the blood of Jesus Christ and say He was wounded for my transgressions, Jesus was bruised for my iniquities, the chastisement of my own peace was laid upon Jesus on the cross and by the stripes on the back of Jesus Christ I am healed from the crown of my head to the soles of my feet.

The Holy Spirit that raised up Jesus Christ from the dead has quickened my mortal body; He manifests the very life of Jesus inside my body so every single cell within me and every single organ within me is functioning perfectly and any foreign substance that wants to gain entrance in to my body, because of the life of Jesus Christ that my entire being is pregnant with, that foreign substance – be it bacteria, a virus or any form of disease, dies the moment it touches my body. For my body is the temple of the Holy Spirit and the Spirit that raised up Jesus has glorified Him in my mortal flesh.

So, I spend the entire 2021 in a state of perfect health, standing straight and erect, going through all my emotions every single day without a taint on my body of any form of disfunction. I declare the same Spirit has given me the Spirit of wisdom and revelation; He has opened up the eyes of my mind. I am a totally different person with this experience on the inside of me; I have rare insights into things, I see beyond this natural realm, I see into the realm of the Spirit as I look upon things.

As I listen to conversations, I hear on two levels – the physical level and also inside the realm of the spirit. When I behold things, I see on two levels at least – one level is the physical and the second, I see into the realm of the spirit. To any body of information you give me, any data that I behold, it is with remarkable insight and not of this world I see and I process the data. This is why I easily recognize the opportunities God has placed all around me; powerful opportunities within my reach that I will not have to extend myself beyond my resources and these opportunities lie before me, several of them that I behold more than I can even execute.

So, one of my acts of charity is to distribute insights and rare foresight to other people to run with because the thoughts God has towards me are much more than can be numbered. Through my own utilization of the opportunities, my cup runs over in abundant measure throughout the year 2021 for my land drinks of the rains of heaven, the works of my hands are blessed with this insight, I see rare opportunities where I am and I have demonstrated the Spirit of God.

The blessing of Abraham that rested upon Jacob, that rested upon Isaac, that rested upon Joseph is manifest in my own life in this year 2021 – a year of unusual progress, a year of quantum leaps, a year of massive acceleration by reason of the anointing of God operational within me in the mighty name of Jesus Christ, Amen.

By our obedience to the corrective voice of the Spirit we entered into our inheritance on this earth. The lines are falling unto us in pleasant places. Our steps are ordered by the Lord, and we are eating of the good of the land.

The Covenant nation has subdued all horns of wickedness in the land and has arisen as a mighty compassionate army walking in the power and manifestation of the Holy Spirit. The fame of God's mighty works within us has spread throughout all the earth, as every single person is experiencing sudden and dramatic breakthroughs in their lives.

We have possessed this city, and this nation as our inheritance. The horns of wickedness have been subdued, and individuals within this congregation of the Covenant Nation have arisen as kings and nations upon the earth. They stand as institutions on this earth. Members of the Covenant Nation are in firm grip of every sector of the economy of this country, for we are the governing church in the land.

Every member of this nation is now blessed with eyes that see, blessed with ears that hear. We see the abundance of God's opportunities He has placed all around us, and we execute these things with excellence. We do not break ranks, but walk in perfect love one towards each other. We speak no evil of any member of this nation but cover one another in love. We protect each other and have built a hedge round about every single member of this nation in the name of Jesus Christ.

In the name of Jesus Christ of Nazareth, we declare as the Covenant Nation, as a kingdom of priests, that we have come on the grounds of the blood of Jesus Christ; and we declare that Jesus Christ was wounded for our transgressions, Jesus was bruised for our iniquities, the chastisement of our peace was laid upon Jesus, and by the stripes of Jesus Christ, we are completely whole and healed. We as a nation of priests and kings, agree and speak with one voice, the voice of the blood of Jesus Christ, into the earth.

We speak into the lives of every single member of the Covenant Nation, we declare to all forces of darkness, that in the name of Jesus Christ, through the blood of Jesus the ransom has been paid in full for our lives. We have been bought out of the influence of darkness and we have been delivered from the influence and every form of wickedness by the ransom that was paid through the blood of Jesus Christ as he hung on that cross for us.

Therefore, on the grounds of the sacrifice of Jesus, as the lamb of God that was offered up on this earth, we appropriate the blessings of that sacrifice over every single member of the Covenant Nation. We stand in the gap this day and build a hedge round about every single person. We declare unto you father, that you have asked for someone to stand in the gap, and if you'll find one man that stands in the gap for others, and presents the ransom that was paid for that individual; You will avert the consequence of that person's wrongdoing from their own head.

Therefore, this moment, we declare and present the blood of Jesus Christ to You father, over every single member of the Covenant Nation and therefore, in the spirit realm we declare and we shift any judgment or consequence of wrongdoing that should be appropriated into the lives of any single member of this nation. We shift that judgment, and pronounce the mercy of God over their lives. We take authority over that situation, and we declare unto You father, the soul shall be corrected by instruction. The soul within our midst shall be brought into a place of repentance, by the conviction of the Spirit and not through the act of judgment, which will administer death.

We make this pronouncement over them; there is no excuse for their sins. They shall repent of every wrongdoing but the repentance we declare shall occur by the word of God which is a two-edged sword that shall pierce into the dividing asunder of their soul and spirit, and through the outpouring of the Spirit received during this fast, they shall come to a place of conviction and turn away from their wrongdoing.

This we declare over every single person; that the lawful captive is set free, that the prey of the mighty has been snatched this moment and brought into a place of safety, a place of repentance, and a place of the bestowing of the mercy of God. We surround every single person with faith and love, we bring them under the protective hedge of the blood of Jesus Christ.

We stand in the gap over each member of the Covenant Nation, and we pronounce in the name of Jesus that Satan and all you forces of darkness, you're rendered inoperative in their lives. For the Covenant Nation is a city of refuge, a sanctuary city, that men run into it and they are covered by the utterances that we make concerning the ransom that was paid in full for their lives. They have entered into a city of refuge, where vengeance cannot be taken over their wrongdoings. But by the blood of Jesus Christ, and through the ministry of the Holy Spirit, they come into a place of repentance, and they enter into a season of fruitfulness having obeyed the instructions of God as their heart came to a place of conviction.

Therefore, we declare over every single member of the Covenant Nation, you are covered but you are responsible. We also declare that you have entered into a new

season, a season of complete restoration. All the years that the cankerworm stole, they are restored back unto you in the name of Jesus Christ.

We declare in the name of Jesus to the heavens, restore. We prophesy a season of restoration over your life, you enter into a place of abundance, beauty comes out of the ashes. We declare these over your life, that you have entered into a new season, a new heaven has been planted over your life, and your steps are ordered aright by the mercy of God on this earth in the mighty name of Jesus Christ. Amen.

In the name of Jesus Christ, we speak into the life of every single member of the Covenant Nation and speak into the body corporately. I pronounce the blessing of Abraham and declare every single person blessed with the full manifestations of the Spirit in their life today. I stir up the Holy Spirit within every single person and the body as a whole and each individual reaps of the benefits of the presence of the Spirit within them.

I declare this 21-day fast has ushered every single person into a new season in their lives. We have witnessed a massive outpouring of the Spirit of God upon us. This has placed the supernatural realm on the fingertips of every single member of the Covenant Nation; each person has a perfect understanding of how to work in the realm of the miraculous.

We have corporately and individually stepped into a new realm of wisdom and power. We are blessed with rare insights into the true nature of things and also empowered with administrative and organizational intelligence. Every single member of the Covenant Nation is blessed with the gifts of discerning of spirits, rare insights into the true nature of things and also organizational intelligence knowing how to put two and two together. The Holy Spirit worked deep within our hearts during this fast and opened up our eyes to see faults hidden within, unconscious patterns and habits.

We have humbly obeyed the voice of the Spirit and made the necessary adjustments. By this obedience to the corrective voice of the Spirit of God, God has brought us into a broad and wealthy place as we have entered into our inheritance.

We pronounce this grace upon every single member of the Covenant Nation. The lines are fallen unto us in pleasant places and we are eating the good of this land. The Covenant Nation has subdued all the horns of wickedness in this land and so has arisen in this land as a mighty compassionate army walking in the power of the Holy Spirit. And the fame of the mighty works of God within our midst has spread throughout the entire earth.

We have possessed this city and this nation as our inheritance. The horns of wickedness have been subdued; and so, individuals within the congregation have now arisen as kings and nations on the earth. Members of the Covenant Nation have a firm grip on every single sector of the economy of this country for we are the governing church in the land.

Every member of this nation is blessed with eyes that recognizes opportunities. We do not break ranks but walk in perfect love one towards another. We speak no evil of any member of this nation. We cover one another in love and support one another. We protect each other and we have built a hedge round about the lives of every single member of this nation. We declare the blood of Jesus Christ over their lives this moment and cancel any work that the enemy has planned to do in their lives in the name of Jesus Christ. Amen.

In the name of Jesus Christ, we declare as The Covenant Nation, a kingdom of priests, that we have come on the grounds of the blood of Jesus Christ. We declare that Jesus was wounded for our transgressions, Jesus was bruised for our iniquities, the chastisement of our peace was laid upon him and by the stripes of Jesus Christ, we pronounce that every single member of the Covenant Nation is healed from the crown of their heads right into the soles of their feet. We speak life into every single part of their body and declare that they are whole and everything functions well.

We as a nation of priests and kings agree and declare; we speak with the voice of the blood of Jesus and we declare to you forces of darkness and all the horns of wickedness in the land that God has exalted our horn of salvation on the grounds of the blood of Jesus Christ over and above your sound. We therefore neutralize your sound, and we cast you horns of wickedness out of our midst. For through the blood of Jesus Christ, the ransom has been paid in full for our lives. We have been bought out of the influence of darkness, and every form of wickedness by the ransom that was paid in full, through the blood of Jesus Christ as He died on the cross for us.

We therefore declare unto you satan, we are completely delivered out of your hands; your verbal accusation spoken in secret or publicly by any agent of yours on the earth against any member of the Covenant Nation, or spoken into their lives, that accusation and cloud of darkness is hereby brought under divine judgment by the highest authority on the earth - the collective voice of the church of Jesus. We use the name given unto us, and by the name of Jesus Christ we cancel the effects of these words and therefore announce that it is the sound of our voice that shall be heard. The sound of our voice shapes the events in the lives of every member of The Covenant nation by reason of this fast and your horns subdued.

We declare that a season of restoration has now been released into the lives of everyone. All the years the cankerworm stole is restored back to you in the name of Jesus; anything that might be missing or broken is restored and made whole in the name of Jesus Christ. We declare that you emerge out of the caves, that you emerge out of hidden places and we announce every single member of this nation; you are set up on a hill, you are made visible to your generation and your works shine forth for you are the head and not the tail in the mighty name of Jesus Christ. Amen.

In the name of Jesus Christ, I speak into the life of every single member of the Covenant Nation and I speak over the body corporately. These words of life that I declare out of my lips enters into the lives of the people, shapes the events of their lives, and manifest the glory of God on this earth within their lives in the name of Jesus. I pronounce the blessing of Abraham upon every single member of the nation, the full manifestations of the Spirit of God within us.

I declare that this 21-day fast has ushered in a new season – a season of unprecedented fruitfulness, a season of growth and a season of multiplication. The next three years of our lives; every single member of the nation, the next three years of our lives is characterized by supernatural growth, supernatural increase and multiplication by the mercy of God.

I declare this afternoon, angels, you are ministering Spirits sent forth to minister for us who shall be heirs of salvation. You are bringing forth answers to prayers, the answers to our prayers you are bringing them forth out of the throne of grace right into our lives and as a nation of priests and kings. We agree upon the earth and with the voice of the blood of Jesus, we agree to that voice and speak it forth into the earth. All demonic spirits and all forces of darkness assigned to keep away the answers to our prayers from reaching us, we bring you under divine judgment this moment; or assigned to distract us from that which God is placing right before our eyes, we bring you also under divine judgment this moment.

We declare to all forces of darkness assigned this way; you turn loose the answers to our prayers. With our words we create a passage for angels to have unrestricted access right into our lives this moment. We declare in the name of Jesus to the forces of darkness, in the name of Jesus Christ, your influence over the answers to our prayers is hereby broken, for we bring you under judgment. For as much as we are partakers of flesh and blood, Jesus likewise took part of the same, that He might destroy him that hath the power of death, and set us at liberty upon this earth.

We therefore challenge you forces of darkness, your interference with the answers to our prayers is unlawful. We judge you this moment and declare that every single person who has believed God for something and who has been confessing for it, we declare that during this fast or shortly after the fast, you receive a full manifestation of the answer to your prayers. For you have been redeemed by the blood of Jesus Christ, the ransom has been paid in full for our lives and therefore the blessing of God is released upon us. We are under the judgment and chastisement of God.

Any correction that has to be made in our lives, we release the Holy Spirit and authorize you that you have the permission as we open up our hearts to your voice, to speak your corrective word to us, to judge those areas within our lives, illuminate our minds, cause us to see the adjustments we are to make and we pronounce grace to us in obedience to the instructions of the Spirit; grace upon the head of every member of this nation for obedience, humility within their heart, ears that are opened to hear the instructions, eyes that are opened to see the blessing, rests upon every single member of this nation.

So, we decree this season is one of open heavens over us, unrestricted access to angelic ministrations. The horns of wickedness are subdued underneath our feet. We give to the voice, to the blood of Jesus Christ, through which we have been redeemed. The ransom has been paid for every single blessing. If God did not spare His only son with Him, He freely gives us all things. Therefore, this moment we declare a manifestation of all things. We declare a manifestation of all things. We declare a manifestation of all answers to prayers. We declare the manifestation of answers to prayers. We call them forth into the lives of every single member of the nation and upon this nation as a unit, in the mighty name of Jesus Christ. Amen.

This has put the supernatural realm at the fingertips of every single person in the depth of revelation that we receive and in the strength of the manifestation of the Spirit of God as utterance is granted unto everyone as we speak forth God's word out of our lips. He stretches out his hand over that which we speak into, and signs and wonders are made manifest.

We have corporately and individually stepped into a new realm of wisdom and a new realm of power. Individuals within this nation have emerged out of darkness into light. Their talents and their gifts have broken loose into the earth, blessing multitudes. Springs of life and saviours have arisen out of the Covenant nation as a result of this fast. The invisible ceiling has been cracked, walls of limitations we declare are falling down and there is a full expression of that which resides in the people in the mighty name of Jesus Christ.

The Holy Spirit worked deep within us during this fast and opened up our eyes to hidden faults which we have humbly rectified in obedience. By our obedience to the corrective voice of the Spirit we have now entered into our inheritance. The lines have fallen into pleasant places for every single member of this nation, and we are eating the good of the land.

If any member of this nation is in any form of trouble, by reason of this fast we plead the blood of Jesus Christ upon them; and by reason of this fast, and the power of God released through our words, lawful captives are set free now and the prey that has been taken by the mighty, those who have been held captive by mightier people, we bring that situation under judgment, and we say you are set free from the consequences of your mistakes. For lawful captives are free in the name of Jesus Christ.

We break in the name of Jesus Christ, any form of the demonic entanglement. We release every single member of this nation from all forms of demonic operation, all demonic possession. We speak to those spirits of darkness; we draw the bloodline over every single person, we say they have been bought by the blood of Jesus, they belong wholly and fully to Jesus Christ. We therefore cast you out of their lives in the name of Jesus, and turn them loose this moment. Spirits, they are released. Souls, from all forms of depression.

We rebuke every suicidal thought. We rebuke that spirit of depression. We rebuke any form of oppression; any form of ailments or spirits of infirmity, trying to latch itself to the bodies of any person that belongs to this nation. We bring you under divine judgment now. You foul spirit of darkness and foul spirits of infirmity, you know that your time is up. This is the corporate anointing of Christ's body releasing power in the name of Jesus. We command you to turn their bodies loose this moment and they are set free in the name of Jesus Christ.

We declare in the name of Jesus; every single member of this nation is now gainfully employed and we speak life into every business, and we declare that the wisdom for its growth is imparted into the hearts of the leader who is a member of this nation in the mighty name of Jesus Christ. Amen.

In the name of Jesus Christ, we speak into the lives of every member of the Covenant nation. We understand that our words that goes forth out of our lips coming out of our hearts will not return unto us void but these words set into motion spiritual laws that will produce manifestations in the lives of every single person.

We pronounce the blessing of Abraham upon us all. We declare the full manifestations of the Spirit of God within our lives. We declare that this 21-day fast, we pronounce it and decree that it has ushered every single individual and the corporate body into a fresh season upon this earth. A brand-new season characterized by growth, supernatural increase and multiplication on every single side. We have witnessed a massive outpouring of the Spirit of God upon the Covenant nation. This has placed the supernatural realm on the fingertips of every single person, both young and old.

Every single member of the Covenant nation is demonstrating the Spirit of God in wisdom and power. For we have corporately and individually stepped into a new realm of wisdom and power, blessed with rare insight to recognize all the opportunities around us. Our eyes see the opportunities God has placed, and through this insight we know the true nature of things in the name of Jesus.

Every single member of the nation is blessed with organizational intelligence; wherever they are in, whichever field they are working, they manifest intellectual togetherness and mental separation, for the Holy Spirit has worked deep within our hearts. During this fast, He has opened up our eyes to see hidden faults within us and we in all humility have rectified it with obedience. By our obedience to the

corrective voice of the Spirit of God, we have all corporately and individually entered into a wealthy place. The lines are falling unto us in pleasant places, we are eating the good of the land.

The Covenant nation has subdued all the horns of wickedness in the land and arisen as a mighty compassionate army working in the power of the Spirit and the fame of God's mighty works in our midst spread throughout the entire earth. We have possessed this city and nation as our inheritance. The horns of wickedness have been subdued, and by this, individuals within the congregation have arisen in this nation as kings and as nations. Members of Covenant nation are in firm grip of every single sector of this country's economy; for we are the governing church in the land. We have subdued the horns of wickedness; we have arisen as a mighty army in this land. Individual members of the congregation are in firm grip of every sector of this country's economy for we are the governing church in the land.

Every member of this nation; we pronounce that you have eyes that see and ears that hear, you see the abundance of opportunities all around you. We declare, this mighty army, we do not break ranks; we walk in perfect love one towards another. We speak no evil of any member of this nation, we cover one another in love, we protect each other and declare this moment, that a spiritual hedge is built around every single person with the words that we speak. We stand in the gap and plead the blood of Jesus Christ over every single member of this nation.

The consequence of any mistake that they have made shall not come upon their head, for as a body we remit their sins, and instead of physical damage in their lives, they receive deep instructions and correction through the Word of God by which they come to a place of repentance. We declare in the name of Jesus, everything that you will set your hand upon prospers. This is the hour of the manifestation of this nation and every single member, and we speak forth into their lives go forth and prosper in the land in the name of Jesus, Amen.

Therefore, the Spirit of God within you infuses into your body during this fast, the very life and the substance of Jesus. Your health is renewed as the eagles. We pronounce you healed in the name of Jesus.

Satan, and all you horns of darkness, we have come corporately as the body of Christ with the authority in the name of Jesus Christ invested in us and we release this power from our words into the lives of every single member of the Covenant nation. First of all, satan, we bring you under divine judgment. We declare that Jesus

was wounded for all our transgressions; for as much as we are partakers of flesh and blood, Jesus likewise took part of the same and by His acts on the cross, he has rendered you inoperative in our lives.

Therefore, we declare in the name of Jesus that you are bound from all your activities in the bodies of any member of this congregation. We bind you right now in the name of Jesus; you foul spirits of infirmities, you are bound in the name of Jesus and cast out this moment, in the name of Jesus Christ. We declare Jesus Christ as our Lord who shed His blood for the remission of all our sins. Jesus gave us the power to remit sins on the earth and to cause people who have been afflicted by wrongdoings to pick up their bed, to rise and to walk.

Therefore, every single member of the Covenant nation, we cancel any debts that you owe in the spirit realm on the grounds of the blood of Jesus Christ. We pronounce your sins forgiven. We declare unto you that you arise, you take up your bed and walk. Your life has been restored back onto you in full; you live out the fullness of your life on this earth. Nothing missing, nothing broken. You fulfil destiny in the name of Jesus.

We call you forth out of any cave of darkness; we call forth your gifts, your talents, and your anointing. We declare in the name of Jesus, you are released from the chains; prison doors are opened up, for lawful captives are set free and those who have been held as the prey of the mighty, we bring that mighty under judgment, and every single member of the Covenant Nation is released and walking free right now in the mighty name of Jesus Christ.

We declare in the name of Jesus, the Covenant Nation grows without any limit, every physical space that we presently have has been rendered too tiny to hold what 2021 has brought forth for we have grown as a town without walls by reason of the multitude of men and women and by reason of the material substance God has poured forth into our midst.

We declare in the name of Jesus, our hearts are knit together in love. We collectively speak into the lives of every individual; every single member of this nation has the collective force and power of agreement over their lives. We declare in the name of Jesus your result is not just by your own faith but by the power of agreement of the church speaking forth progress, increase, restoration and multiplication in the name of Jesus Christ. We say in the name of Jesus Christ that out of the Covenant Nation arises Kings and Nations upon this earth. With our eyes we have seen it and with our hands we have handled it that the small one amongst us is as a thousand and the large one amongst us is as a Nation.

We are a Nation of king and priests upon this earth and we reign in life by the Spirit of God who dwells on the inside of us. We decree that the Covenant Nation is a governing Church inside this country. Therefore, from within our borders have arisen men and women who are in firm grip of every single sector of the economy of this Nation.

We declare also, large corporations have come out of this Nation; their borders have extended towards all the Nations of the earth for God has opened up a river out of heaven that is flowing through our midst, causing things to spring up within this Nation that minister life unto communities and cities in the name of Jesus. We are a rising army of passionate people who wage warfare in the realm of the spirit and distribute and communicate the love of Jesus Christ inside our families, workplace and right into our communities in the name of Jesus Christ.

We declare in the name of Jesus, the year 2021 is a year without limits, a year of unprecedented growth. We declare that one day inside this country we will have several people in positions of authority: Governors, Senators, powerful people in government influencing things for good coming out of the revelation that is within this house, the strength that is created within this house.

We decree to all children within this house, we say in the name of Jesus Christ, the spirit of distinction is placed upon you, intellectual togetherness, mental separation, grace is released into every child within this house. You grow up as a seed of righteousness in your generation – leaders, the life of God shall rest permanently upon the tabernacle of your heart, utterance is granted unto you, you speak forth words of revelation over and above your age and manifest the kingdom of God to your peers in the mighty name of Jesus. Any person satan has planted into your life to derail you from the path of God, we declare that you belong to a house that is not asleep. We recognize this work of the enemy, we curse it to its root upon the earth, such individuals are plugged out of your life this moment, you stay on course and remain focused and you fulfil your destiny in the mighty name of Jesus Christ.

In the name of Jesus Christ, we speak into the lives of every single member of the Covenant Nation, and we pronounce the blessing of Abraham upon every single person and these blessings upon the Nation as a corporate entity. We declare we have come on the grounds of the blood of Jesus Christ. Jesus was wounded for our transgressions, He was bruised for our iniquities, the chastisement of our peace was laid upon Jesus and by the stripes of Jesus Christ, we are healed from the crown of our heads to the soles of our feet. We pronounce the healing power of Jesus into the body of every single member of The Covenant Nation. We say over the house, there is not one feeble person among us, it is a nation of kings and priests unto God.

As we worship Jesus as the Lamb of God, the seals over the word of God has been opened up unto us all and every single person within the nation; we declare right into your lives that you possess the Spirit of wisdom and revelation in the knowledge of Jesus Christ. Every single person, your bodies have been infused with the life of Jesus Christ by the Holy Spirit that dwells on the inside of you.

We declare into the earth this day that the blood of Jesus Christ speaks better things and powerful things concerning us. We declare the blood speaks powerful things concerning 2021. We agree with what the blood of Jesus is saying and we give voice to it today in the name of Jesus.

First, we declare to you forces of darkness, satan, in the name of Jesus Christ we say we have been redeemed by Jesus through the sacrifice of Jesus on the cross of Calvary as His body hung lifeless upon that cross, battered and beaten. The ransom was paid in full by the Father for the complete emancipation of every single one of us. We do not leave the blood of Jesus in the basin untouched but we apply it to our lives this moment and give voice unto it and declare to you foul spirit of death, foul spirit of infirmity, sickness, poverty, disobedience, fear and all of you.

We declare in the name of Jesus Christ, the Father has subdued you underneath our feet, and we have been bought out of your influence, raised up to sit together with Jesus in heavenly places far above you principalities and powers and this is fully reflected in the year 2021. For this is the year of the manifestation of our authority. The ransom has been paid in full, we therefore curse any of your activities within the lives of any member of The Covenant Nation.

We declare that during this fast, the word of God has been opened up unto you and all the scriptures that describe what will happen in 2021, all the challenges that you will face, all the people you will come in contact with and the victorious events and the glory of God that will be revealed in your life from every single thing you will go through; we declare that during this fast, everything that is written concerning you, the Holy Spirit opens your eyes to the exact scriptures and He shows you things that are to come.

We declare that this year 2021, your steps are ordered by the Lord and He has guided every single person into the place of rest, where they flourish from a place of rest, growing in leaps and bounds in 2021. We declare in the name of Jesus, the blood speaks powerful things concerning us; we agree with what the blood is saying and we declare it into the earth in the name of Jesus.

We declare if any single person has made a mistake, and the burden of their wrongdoing has been placed upon them - we announce good news to them today. By the authority invested in the church of Jesus to gather together, to remit sins; we therefore, in the name of Jesus remit all of those sins on the earth and declare into your life: the lawful captives are set free. The prey is taken out of the mouth of the mighty. You are delivered in the name of Jesus Christ and set free in the name of Jesus.

We say in the name of Jesus into the life of every single person that God has manifested the answers to your prayers as a result of the power generated during this fast. Angels are released this moment to go forth and minister unhindered in the life of every single member of this Nation and over this Nation as a whole.

The horns of wickedness in the land have been subdued so we pronounce in the name of Jesus Christ that The Covenant Nation is a governing church in the land that grows in leaps and in bounds, without any limitation placed upon us. We are inhabited as towns without walls; there are no limits to our growth, we break forth on the left and on the right side and every physical space that we occupy were broken beyond the boundaries in year 2021. The invisible ceiling has been shattered; the horns of wickedness have been subdued and it is a dawning of a new day for us.

This nation arises on this earth as a mighty compassionate army, united and has brought about the manifestation of the Kingdom of God in the fullness of the Spirit inside this generation in the name of Jesus. This occurs not just on the nation as a whole but into the lives of every single member of this nation. Great grace also is at work.

We declare in the name of Jesus Christ upon The Covenant Nation, a kingdom of kings and priests on the earth, saviours arise out of you. Every single member of this congregation, we declare that you are either a King or Queen upon this earth or a Nation upon this earth. For The Covenant Nation has raised kings, queens and institutions of high excellence in the name of Jesus. For we are a Nation of kings and of priests unto God, and we declare that into the lives of the people. A small one is as a thousand, a large one as a nation.

Therefore, every single sector of the economy of this country is in the firm grip of a member of this Nation because of the grace and anointing that rests upon us. There is no space any member of this nation occupies today that will be enough to handle the size and the level of increase and growth that shall visit you in the year 2021. For a massive door has been opened unto us in heaven and out of that door the river of life has flowed from the throne of grace right into our hearts and every single thing we set our hearts upon, this waters of life has entered into every single area of our lives both corporately and individually granting us prophetic utterances through

which God has stretched forth His hands out of our lives and signs and wonders are been worked on a daily basis through the mercies of God.

We declare because the Spirit of wisdom and revelation rests upon every single person, we walk through all the events of 2021 strengthened by our spirit in our inner man – the capacity to work without getting weary; we are filled with the knowledge of God's will in all wisdom and spiritual understanding. We declare in the name of Jesus, we act as one man for the progress of the collective; we act with one mind towards one another, that every single member of this nation has grace upon their lives for acceleration and unusual progress in 2021.

We declare as one entity in agreement, giving voice to the benefits of the blood of Jesus that any lawful captive in this nation or any person that has been taken as a prey by the forces of darkness based on any wrong-doing in their lives, we pronounce that by the blood of Jesus they are forgiven upon the earth. The lawful captives we announce are set free, the prey in the hands of the mighty is completely delivered for The Covenant Nation is a sanctuary city and everyone that runs into this place is covered by the blood of Jesus Christ; while the Holy Spirit works upon their hearts for repentance.

We declare in the name of Jesus that we love one another as Jesus has given commandment. We speak no evil of any man within this nation, we prophesy that every single person grows strong in the year 2021 for The Covenant Nation is a mighty compassionate army of the Lord Jesus Christ that has been raised up in this land; manifesting unusual grace in the year 2021 standing as a beacon of light into the nations of the earth, receiving the high priestly prayer of Jesus Christ acting as one as Jesus and the Father are one.

We therefore declare, that any judgment we pronounce collectively during our acts of prayer and keeping the watches, all those pronouncements and decrees are established upon the earth for we have the authority given unto us in the name of Jesus Christ to bind and to loose and we exercise this as we bind all forces of darkness from any activity within the life of any member of this nation and we loose angels this moment to go forth and minister to every single person and assist them in causing the will of God to come to pass within their life and for the kingdom of God to be established in the territory where they dwell.

We prophesy into the marriages and families; you are united and stand eternally intact for we speak forth into any person that has come to plant a seed of discord in any family within this nation - you are plucked out by the roots and every single family is united. The middle wall of partition is broken down and you stand strong as a single entity upon this earth. Every single family is preserved by the blood of Jesus and we say in the name of Jesus, righteousness with wealth and riches enters into every single home in the mighty name of Jesus Christ.

We declare in the name of Jesus Christ that this is a mighty army inside this land, a force of life inside this country, a governing church inside this land that has liberated souls by corporately coming together to issue decrees and to agree in prayer. Several souls are liberated, healings and restorations have occurred in the bodies of

people as we release the corporate anointing into the earth and into the life of every single member of this nation in the mighty name of Jesus Christ, Amen and Amen.

--

In the name of Jesus Christ, we declare we have come on the grounds of the blood of Jesus Christ. Jesus was wounded for our transgressions, He was bruised for our iniquities, the chastisement of our peace was laid upon Jesus and by the stripes of Jesus Christ, we are healed from the crown of our heads to the soles of our feet. The healing power of Jesus flows into our entire being and we speak into the life of every single member of The covenant Nation, we surround you with faith and love.

We declare over your life and into your body that by the stripes that was placed on the back of Jesus when He was beaten and hung on cross; you are healed from the crown of your heads to the soles of your feet. As the church of Jesus on this earth, we collectively decree into your life that you shall stand erect and straight unto your old age, showing that the Lord is upright, a faithful and a merciful God.

We declare in the name of Jesus Christ that the blood of Jesus speaks powerful things concerning us at The Covenant Nation; the blood of Jesus speaks powerful things concerning 2021. We agree with what the blood of Jesus is saying and we give voice to it in the name of Jesus. For the word of God, the blood of Jesus and the Spirit that dwells within us are in agreement over these powerful things concerning our lives in the year 2021.

We declare these blessings upon us corporately; We pronounce the blessing of Abraham upon us. The same spirit that worked inside Isaac, that he went into a land with famine and by the blessing of Abraham – the promise of the spirit. The Holy Spirit taught him what to do and he got a 100-fold irrespective of the condition in His environment. The same spirit that was inside Jacob, that irrespective of the environment, the Holy Spirit taught him what to do with the animals and they multiplied in his hands. The same spirit that was in Joseph, that wherever Joseph entered into, he went straight to the top by the workings of that Spirit of excellence inside him.

This same blessing rests upon every single member of The Covenant Nation and upon the nation as a whole and we manifest the Spirit in His fullness in every single thing that we do. The Spirit of God grants us insights into the treasures of wisdom and knowledge hidden from ages and generations past which we make use of directly in the works of our hands, in how we relate to people and this has brought the grace of heaven upon the earth.

We therefore declare to you forces of darkness, that in the name of Jesus by the blood we have been redeemed. That is, the ransom has been paid in full for our lives and we are brought out of the influence of darkness and out of every influence of wickedness and your reach does not touch any life inside of The Covenant Nation. We declare to you forces of darkness, this is the judgment you have given voice to that we execute upon your life – you have been rendered inoperative in the life of

every single member of The Covenant Nation and over this church corporately; your death is swallowed up in victory and in 2021 life and immortality are brought into light.

Every single member of this nation who is seeking for a miracle, we decree in the year 2021, miracles shall flow into your life as streams of living water granting you an abundance of supernatural manifestation that will characterize the year 2021. It is a year in which this nation and every individual within experience sudden and dramatic breakthroughs in every single area of their existence.

We decree there is no inhibition to our growth, no inhibition to our increase, for the one who stands against it has been placed under judgment, rendered inoperative in our own lives, for the lamb of God's blood has been shed and we take that blood from where it is and apply it upon the door posts of our lives with our declarations.

And we say into the life of every member of this nation, no verbal accusation against you shall be reflected in your mind (as any form of depression or discouragement), in your body (as any form of ailment or sickness), in the works of your hands (any form of stagnancy or invisible ceiling placed upon it), in your family, and inside this Covenant Nation; no verbal accusation or words spoken with intent to cause damage, theft, death or destruction, all those words drop down dead unfulfilled in every single persons life regardless of what they have done in the name of Jesus. For the power to remit sin has been granted unto us – Jesus on this earth forgave the sins of people and gave that power to His church to stand united and to decree and we decree in the name of Jesus, your sin is forgiven and every lawful captive is set free and the prey is taken out.

We declare into this earth over every single member of The Covenant Nation, that if peradventure they have made mistakes and they are now lawful captives held bound their mistakes, pronouncements have been upon them, if they have been held as the prey of the mighty; we declare as the church of Jesus Christ on the earth with the power of atoning and giving the right to forgive sins, we pronounce their sins forgiven and they are released this moment from the clutches of the oppressor. Their lives are restored back to them in full, their steps are now ordered by the Lord. The hold of the oppressor over their subconscious is broken, they are set free from thinking about the situation and their eyes are directed to the sun of righteousness with healing in His wings and they are restored back to the path that God has ordained for them in the name of Jesus Christ. We set you free and declare in the name of Jesus you are liberated.

We say The Covenant Nation has subdued all the horns of wickedness in the land and therefore we are united as one and with that corporate anointing, we release power into every individual life and multiply the grace upon every individual in this nation by collectively directing our hearts and words into the life of every single person, announcing things concerning 2021 and saying in the name of Jesus Christ collectively that you make satisfactory progress in 2021. We say you experience supernatural increase; we say you remain whole and complete; we declare that satan has no reach into your life; therefore, it is only goodness and mercy that follows you all of the days of your life.

We decree that every member of The Covenant Nation is set free, 2021 is a year of new beginnings, the prison doors have been opened up and everything the cankerworm stole has been restored back in the name of Jesus. We declare in the name of Jesus to The Covenant Nation, as an entity we speak to you and into every individual, you are met with an abundance of opportunities for growth in 2021 and your eyes are opened up to see and we decree the grace of God to enter into the fullness of every single thing God has planned for your life in the name of Jesus

We pronounce that in the year 2021, every single member of The Covenant Nation, this is the outcome of every test you shall face – your eyes have been opened up by your shepherd and you have seen the table that He has prepared for you in the presence of your enemies. Your head is anointed with oil; you manifest a quiet and confident work in the midst of adversity and your cup runs over with abundance. The results of your life silence all oppositions and accusations of the enemy in the name of Jesus Christ.

We declare in the name of Jesus Christ with all horns of wickedness subdued in the land, members of The Covenant Nation rise up in their careers, businesses, families with astonishing speed and great acceleration because the horns of wickedness that keep people down have been subdued in this atmosphere and this is a spiritual hub where limitless growth occurs, expansion without any form of limitation.

The Covenant Nation has grown in leaps and bounds, every form of limitation has been shattered, every physical space we have has been rendered inadequate in the year 2021 for there is a massive outpouring of the Holy Spirit upon this house. The word of God goes out with power, with signs and wonders and the multitudes have gathered to hear the word of God and to be healed of their infirmities.

We declare this power is at work in our midst, the might of the Spirit is unleashed within us and we have brought forth salvation into the land. The small one amongst us is a thousand and the large one operates as a nation on this earth, for out of this congregation kings and queens have arisen, nations have come forth, for all hinderances have been subdued and every form of ceiling has been removed. Therefore, every single person experiences dramatic and sudden breakthroughs as they experience quantum leaps in the year 2021.

We declare in the name of Jesus, we demonstrate love one towards another, we speak no evil of any member of The Covenant Nation, we support one another with the love of Jesus Christ, rally around each other in prayer and intercession and build a hedge of protection with our words. This unity of the Spirit has commanded the blessing of God upon us. The power of the Spirit that flows through every single member of this nation and we are manifested as kings and priests upon the earth.

We declare in the name of Jesus, men and women arise out of The Covenant Nation as kings, queens and nations upon the earth. Every single member of this nation is successful, fulfilling God's mandate upon the earth, for spiritual laws have been set into motion over your life with these words that cannot be reversed by any force of darkness – they are under judgment therefore you arise and shine, standing on the mountain God has for you demonstrating the glory of God.

In this year 2021, we have emerged as a governing church in the land and leaders have arisen out of our midst. We declare that a member of this congregation is in firm grip of every single sector of the economy of this country as God has raised up saviours out of our midst through the blood of Jesus Christ. We declare these things to be so and decree into this earth that this is a prosperous nation, not just collectively but every single individual is making satisfactory progress and they have experienced acceleration, growth and multiplication in the year 2021 in the mighty name of Jesus Christ.

Your presence is thick within the atmosphere as angels are walking all around the auditorium, they are released from heaven descending and ascending upon us all also ministering via all the social media devices and internet, entering literally into the homes of people. An innumerable company of angels sent forth into the earth for WAFBEC 2021 ministering directly in homes and a solid presence within the auditorium bringing forth answers to prayers.

Every single person that participates in WAFBEC 2021 came out with a definite experience of having touched God in a tangible way in that meeting. God was made real to us all. Just as the clothes we are wearing on top our backs; that was the effect the shekinah glory had in our midst. The cloud of glory rested upon the congregation and entered into the homes and houses, wherever anyone participated with their hearts through electronic devices, they experience this cloud of glory upon them.

We declare labourers are sent forth into the fields, the heart of every single member of The Covenant Nation and those who regularly attend this conference has been stirred up by the Spirit of God, such that they reach into their sphere of influence; their social influence, bringing people into the meetings either onsite or online. Many people that are hurting or experiencing discomforts in their lives have had these issues directly addressed at this meeting as the anointings of God is directly released into their lives. We declare utterance is granted unto the Ministers, the word of God is spoken boldly under an unusual anointing of the Spirit. People are fed with wisdom, insights and instructions that has totally changed and transformed their lives, that has blocked them from eating the bread of adversity to eating the bread of the increase of the earth. This is by the entrance of God's word deep into their consciousness as a two-

edged sword, that the same God that commanded light to shine out of darkness, has shone inside the heart of every single participant at WAFBEC 2021 and you have had a eureka experience where you discovered some massive truths and your eyes were opened up to certain secrets that has transformed and changed your life permanently on the earth.

The veil covering the face of people and the nations of this earth has been removed upon this mountain.

The Spirit of wisdom and revelation has entered into the heart of every single participant and they have had a feast of fat things, accessing the riches of their glorious inheritance in Christ, partaking of the unsearchable riches of Jesus in wisdom, knowledge and understanding. Death is swallowed up in victory in their lives, as they entered into this cloud of glory upon this mountain, they descended back to life totally transformed, for the hand of God rested upon every single thing that went on in WAFBEC.

We declare in the name of Jesus, the Ministers have brought forth glad tidings of great joy that has addressed specific issues in the lives of the people. The glory that entered into the lives of every single participant, the weight of this glory is so evident in transforming and changing their lives that even sinners have turned to them. The glory that they entered into the earth with after WAFBEC has caused sinners to turn and those who were once in the faith who departed have also turned to lead the doctrine of Christ and to return to the path of the kingdom of God.

We declare the Ministers have spoken by prophecy to the word of wisdom, word of knowledge, by manifestations of power and have addressed the specific needs of every single person who participated in WAFBEC 2021 and also the things that they have written down concerning their visions. People were literally given wings in their spirit to take off and to realize this dream.

We declare in the name of Jesus, as those labouring in prayer and prophetic utterances to establish God's will, that according to the law of scripture, the husbandman that labours must be the first partaker of the fruit. Therefore, we decree over our lives that every grace manifested in that conference is manifested also in our lives as we demonstrate fully everything that has entered into the conference in the mighty name of Jesus Christ.
